**Comments for Public Posting:** It would be a tragedy to loose something of such Heritage in our country to modern idealism !! Children who grow up showing or participating in rodeo, showing and any type of ranching and farming are learning strength of character, !

**Comments for Public Posting:** Rodeo is a tradition that has been around since the indigenous people inhabited the earth. Don't let the noise of these ill informed bullies influence you to stop the rodeos. The rodeo animals are well taken care of and if you want evidence, check out some of the U Tube videos of ranchers that raise the livestock.
