Comments for Public Posting: Please ban he RODEO/BULL RIDING and all the forms of BULL/horse/donkey and any other TORTURE on display in LA/CA. This is nothing more than ANIMAL CRUELTY AND TORTURE. The RODEO is not entertainment, it is a vile promotion of violence against animals, and teaches the public that it's really OK to violate and abuse animals - even to their death. This translates to a MORE VIOLENT SOCIETY, at a time when humanity's violence against humans and non-humans is really quite "out of control". Please, for the good of society, our children, and our non-human animal species, BAN THE RODEOS in LA and CA! and support a national ban on rodeos and bull riding across the US. THANK YOU!

Comments for Public Posting: The Public is well aware of the cruelty inherent in the rodeo! We strongly support the rodeo ban in Los Angeles! The animals suffer at the hands of man and is a despicable form of “entertainment”! This inhumanity to animals illustrates the lust for power over animals and the need to stroke egos! When we treat animals with respect and compassion, that will transfer over to our treatment of people!

Comments for Public Posting: Please don't ban Rodeo. You really need to research rodeo animals. These animal athletes are taken better care of than the human Rodeo athletes. The care takers of these animals take care of them before they eat them selves. These animals are part of there families. If you really researched this you would see exactly what I'm talking about. Thank you
