**Comments for Public Posting:** I am writing to protest against bull riding. I can't understand how a country, claiming to be the best in the world, can be involved in such abuse of animals. USA is supposed to be a civilized country with intelligent citizens and yet this barbaric, medieval treatment of animals is thought to be ok. There is so much abuse and suffering animals at these rodeos. Horses, calves, bulls, they are all treated horribly. Should not USA, who like to see itself as the greatest country in the world, stand in the front of leaving the old, outdated and cruel treatment of innocent animals? I have seen horses break legs when being brutally treated by their rider and so much vile and sadistic animal abuse so there is no denying that this is going on. And I would hope that people will stop seeing animals as objects without any worth. They are living souls with feelings. Just as us. No human have the right to act barbaric and sadistic towards any living being just because they are not of the human specie.

**Comments for Public Posting:** The City of Mexico is banning bullfights. As for LA, only a full Rodeo ban stands as a serious approach to end a cruel and unethical show that tortures animals publicly.

**Comments for Public Posting:** Rodeo is another 'sport' that hurts animals and MUST FINALLY END! It is a horrible life for all animals involved. Spurs, whips, etc are used sparingly!! What about the poor calves who are running for their lives, only to be snatched up by their NECKS, picked up by a 'cowboy' and THROWN TO THE GROUND WITH GREAT FORCE, to knock the wind of out him. Thend he is VERY roughly handled, and tied so he cannot MOVE! All are traumatized, some DIE. Horses are subjected to extremely violent behavior. IT MUST STOP!!

**Comments for Public Posting:** Rodeos, and stand-alone bull riding events, glorify animal abuse while they masquerade as sport and family entertainment. For example, horses and bulls do not buck naturally. These are terrified animals trying to get away from something that is causing them fear, pain, and discomfort. Animal injuries can be numerous; broken bones, ripped tendons, torn ligaments, and snapped necks. Please vote to ban these animal abuse events.  
Thank you, Donna

**Comments for Public Posting:** Please stop the rodeo! Rodeo animals are chased, wrangled, roped, and tormented for entertainment. Horses, bulls, steers, and calves suffer from painful injuries, including broken ribs, backs, and legs, punctured lungs, internal organ damage, and snapped necks. Rodeos are outlawed in England, Scotland, Wales, Germany, and the Netherlands. Mexico City made bullfighting illegal in 2022, after 500 years of animal suffering. Recent polling of 600 Los Angeles voting residents has shown strong public opposition to the cruelty involved in rodeos.
