**Comments for Public Posting:** Unfortunately for the SENTIENT animals, PBR (Professional Bull Riders) will once again bring its display of animal exploitation to the Acrisure Arena in Palm Desert, California, this weekend. STOP atrocities against animals! Thanks for using ethics against greed and total abnormality in the XXI century!

**Comments for Public Posting:** I support the L.A. rodeo ban. Rodeos are very cruel to the animals in them and these events only support animal cruelty and they need to end for good. This is not entertainment!
