Comments for Public Posting: Ban rodeos. Period. The end. Rodeos belong in the past. They are extremely violent. Just do it! No need to go into the gory details of rodeos. It's well known. Do we support torturing animals for fun in this century?

Comments for Public Posting: I think you should ban all rodeos. They cause suffering to animals, needlessly. Animals die during these events, so they clearly suffer. Please ban them!

Comments for Public Posting: Stop the bad habit of using animals for human entertainment, it is not tradition, it is not sport, it is animal exploitation, they are not objects, they are living and sentient beings,

Comments for Public Posting: We live in the 21st century. Rodeos are not entertainment, they are animal abuse and there is no excuse for animal abuse. I support the LA Rodeo Ban.
