Comments for Public Posting: Rodeos, like cockfighting, dogfighting, and bullfighting, hurt and terrorize animals for the mere sake of entertainment. Please ban rodeos in Los Angeles.

Comments for Public Posting: Animal Abuse Inherent in Rodeo Peggy W. Larson, DVM, MS, JD states, 'During the course of my lifetime, I have been a farmer, bareback bronc rider in the rodeo, a large animal veterinarian, a medical researcher, a meat inspector, a state veterinarian, and a prosecutor. I have also worked with the media as a consultant on animal abuse issues including rodeo and PMU horses. Based upon my extensive experience with large animals, I have come to the conclusion that rodeo events are inherently inhumane.' This former bronc rider turned veterinarian determined that rodeo events are cruel. Accordingly, they should be banned in Los Angeles!
