Comments for Public Posting: Ban rodeos!!!!!!!!!! The cruelty and exploitation these animals are subjected to is unconscionable. Horses and cattle are subjected to electric shocks and beaten viciously to motivate them to run fast. These animals do not deserve this miserable life of captivity being confined in trucks hauled from event to event. Do the right thing. There is absolutely no moral justification for allowing that barbaric tradition of rodeos to continue, we're better than that. Ban this horrifically evil torture ritual. Thank you.
