Comments for Public Posting: 'The Vancouver Humane Society is not alone in opposing rodeo. So do virtually all animal welfare organisations in Canada, including the Canadian Federation of Humane Societies and the Humane Society of Canada. This is because most rodeo events involve the use of fear, stress or pain to make animals perform. There is also considerable risk of injury or death for the animals. These risks and the suffering the animals endure are considered especially unacceptable, given the unnecessary and frivolous nature of rodeo as entertainment.'
Accordingly, please outlaw rodeo in Los Angeles.

Comments for Public Posting: 'Rodeo involves inherent abuse of animals. Imagine running in fear from a pursuer when suddenly a rope yanks you violently by the neck. Imagine being slammed to the ground, your legs roughly tied together. Imagine having a strap pulled so tightly around your lower abdomen that you kick and thrash about in pain. Imagine having your neck brutally twisted. All of these actions cause pain and stress, and many of them cause injuries and death. Would you consider that sport?' Please ban rodeos in Los Angeles.

Comments for Public Posting: 'A number of cities across the US have passed ordinances eliminating rodeo's tools of torture -- the electric prod, spurs and the flank strap -- all of which use pain to force the animals to "perform." It is no accident that where these devices are eliminated, rodeos disappear. Without torture, there can be no rodeo.' Please ban rodeos in LA!

Comments for Public Posting: Hello Los Angeles City Council, We have determined that God condemns rodeos because they are cruel to animals (condemned by Proverbs 12:10) and because they hurt animals for entertainment (condemned by Genesis 49:6). Please outlaw rodeos within Los Angeles. Thank You, The Christian Animal Rights Association Team
