Comments for Public Posting: Please support banning rodeos! This ban needs to be enacted immediately! Animals are tortured and murdered for the barbaric pleasure of a crowd of paying customers! I plead with you to stop this atrocity once and for all!

Comments for Public Posting: The rodeo must stop because the animals experience injuries at times and obviously are upset by what's going on or they wouldn't bounce all over the place!!!! Calf roping and all that is so incredibly cruel to these young innocent creatures!!!!

Comments for Public Posting: Just a note to say that I do not agree with using animals in rodeos, they aren't treated humanely and deserve better.
