Comments for Public Posting: I oppose any sort of rodeo and circus forms of "entertainment". This is not entertainment in my book - it's exploiting and hurting animals, sentient beings that feel pain and suffer just like we do. It's sad to me that people find this barbaric treatment of animals amusing.

Comments for Public Posting: Dear Council members: I fully support the L.A. Rodeo ban, City Council file #20-1575. Rodeos are nothing more than animal abuse pretending to be entertainment. Why do people find watching calves being lassoed and then thrown to the ground entertaining? Many times these babies are severely injured and in pain and I'm sure some die. How is that not animal abuse? And riding bucking broncos and bulls who only buck because they have straps around their hind ends and buck to try to get the damn strap off to relieve themselves of the irritation/pain is not entertaining. I know a very small percentage of people think rodeos are some sort of nostalgic form of entertainment from a bygone era and they would be mad if they were banned, but let's face it, there are plenty of ways to entertain ourselves these days that don't involve animal abuse. This isn't the 1900's! Please do the compassionate thing and vote to ban rodeos from being held in LA. Thank you.

Comments for Public Posting: STOP THE ABUSE! Quit the rodeo. It may be entertainment for people, but it is cruelty to animals that have no voice in the matter. Think about it.
