Comments for Public Posting: Rodeo has long been considered one of the cruelest, most barbaric forms of “entertainment”. Surely in these times of unprecedented disregard for others, we can find it in our hearts to discontinue this barbaric spectacle.

Comments for Public Posting: It is important to recognize what rodeos truly are: a form of animal abuse masked as entertainment. While rodeos are often seen as a celebration of tradition and "ranch life," it's important to recognize that there are more compassionate ways to honor these values without subjecting animals to fear, pain, and stress for the entertainment of spectators. The violence inherent in rodeo events is undeniable.

Comments for Public Posting: Rodeo is a barbaric practice that should be banned and relegated to oblivion! There are some nice forms of entertainment that don't involve animal torture. Time to evolve from barbarism!

Comments for Public Posting: Kindly consider banning the Rodeo. This is not sport or entertainment - not for all the innocent animals that are abused. The rodeo is nothing but an excuse to torture animals. Cowboys? No. More like Coward Boys!

Comments for Public Posting: Subject: Rodeos Are Public Displays of Cruelty—Los Angeles Must Act Dear City Clerk, It is unconscionable that rodeos are still permitted in Los Angeles. These events are not cultural heritage—they are brutal exhibitions of animal suffering. The so-called “cowboys” (cowards) inflict horrific injuries on animals for the sake of applause. Broken necks, dislocated hips, shattered shoulders—these are not rare accidents. They are predictable outcomes of a system built on violence. And what happens when the injuries are too severe? The animals are “put down.” Euthanized. Not because of natural causes, but because their bodies have been wrecked for sport. There is often no veterinarian on site. No emergency care. Just pain, panic, and silence. This is not entertainment. It is sick cruelty, institutionalized and normalized. Los Angeles has the chance to lead with compassion and reject this outdated spectacle. Ban rodeos. Show the world that we do not tolerate suffering for show. I urge you to act. The animals cannot speak—but I can. And I will not be silent. Sincerely Rita Lemkuil! p.s.
