**Comments for Public Posting:** It is important to recognize what rodeos truly are: a form of animal abuse masked as entertainment. While rodeos are often seen as a celebration of tradition and "ranch life," it's important to recognize that there are more compassionate ways to honor these values without subjecting animals to fear, pain, and stress for the entertainment of spectators. The violence inherent in rodeo events is undeniable. PLEASE BAN RODEOS AND STOP THE ANIMAL ABUSE. Do the right and ethical thing and stop abusing animals. It's sad to see their legs break or get twisted. You can see that the animals don't want any part of this, and to see that you're doing this as entertainment for people, and not caring for the animals shows that your progression as a state is degrading and becoming evil. How would you like for a rope to be around yourself and dragged with no mercy. You think this is fun for those animals? It's as if you have no critical thinking of what you're doing to these animals. The suffering of these animals needs to stop! Thank you for your time on this urgent matter.
