**Comments for Public Posting:** ?? CAN'T ATTEND THE PROTESTS? HERE ARE OTHER WAYS YOU CAN HELP ANIMALS ABUSED BY THE RODEO INDUSTRY! ?? ?? Everyone can go to this link and make a public comment of support on the L.A. City Council file for the Rodeo Ban. Everyone can help animals suffering in rodeos by supporting the proposed Los Angeles City Rodeo Ban. Even if you have taken action before, you can take action again. Comment, "There is no excuse for animal abuse. I support the L.A. Rodeo ban" or create your own message of support for the ban - City Council file #20-1575. ?? If you live in Los Angeles, you are in a special position to help. An LCA investigator attended a previous PBR rodeo in Anaheim and took video, which was analyzed by veterinarian and former bronc rider, Dr. Peggy Larson. Dr. Larson watched the video and concluded, "Overall, these bulls are forced to buck beyond their normal bucking patterns which makes them susceptible to injuries, including broken legs." Watch the video here. The violence inherent in rodeo events is undeniable. Help us speak out against animal cruelty and make your voice heard. Can't join the protest? You can still help, go to the bottom of this email to take action! You can also go to [www.StopBullRiding.com](http://www.StopBullRiding.com) to learn more.elp - go to this link!

**Comments for Public Posting:** We are so saddened by your rodeo cruelty! Animals are treated like objects, forced to be aggressive by cruel efforts, and are stressed more than we can imagine! Why does the public enjoy seeing and watching this terror the animals suffer at the cruel hands of man??? We must learn respect and compassion for all living beings, human and animals alike! Please come up with an activity that the public will enjoy without the cruelty to innocent animals! We so appreciate your humane consideration of our request! Dave and Rita Cross
