Comments for Public Posting: Respected Council Members, Los Angeles is an international city & in the truest sense of the word with our diverse races, ethnicities, & cultures. Citizens of good will do their best to live & work together as one in friendship. We are humane with each other, yet where is our humanity when it comes to the lives of rodeo animals who are our fellow sentient beings? L.A. is falling sorely short in this area. We can do better! Let's extend our love & compassion to include both people and animals. Let's be a city of forward thinkers & let's set a beautiful example for other cities to follow! Let's say No to animal cruelty in our city by banning rodeos in L.A!
