**Comments for Public Posting:** Rodeo. ---The American English word rodeo is taken directly from Spanish rodeo ([ro?ðe.o]), which roughly translates into English as 'round up'.<sup>[5]</sup> The Spanish word is derived from the verb rodear, meaning 'to surround' or 'go around'. In Spain it used to refer to "a pen for cattle at a fair or market," derived from the Latin rota or rotare, meaning 'to rotate or go around'.<sup>[6][7]</sup> Are you going to strip CA from its Spanish heratige? Should not the latins of CA be proud of the great vaqueros who helped settle this state?
