Comments for Public Posting: Rodeo has been an American sport, too. Just as many fans as any other sport. It brings in revenue for the host city and area businesses. Riders make their income there, also. Please don't ban Rodeo.

Comments for Public Posting: Please do not ban rodeo. I am a fourth-generation farmer and agricultural family who also owns livestock. Rodeo is part of our country's heritage and needs to be preserved, not banned.

Comments for Public Posting: Why are we just going after everything either it be capitalism or lobbying? Soon will have to pay to speak. My parents moved my brothers to Ponder tx from dallas and thats the best thing to happen to me its like ive lived tolwo lives. Growing up on rodeos in the new town got me hooked and everything about it I knew I had to be apart of it. Let's us have a hobby. Rodeo is older than alot of the people pushing for bans.

Comments for Public Posting: Please don't ban rodeo. Please truly understand how this animals are cared for and learn the way of the west before making a decision. Once you are fully educated on what goes into rodeo, you cannot competently make a decision.
