**Comments for Public Posting:** Please do not ban rodeo in LA. Most poeple who protest rodeo are not from the country and know very little about the poeple, the animals, or the culture. I have been involved in the sport for over 35 years and most of these animals get treated better than most poeple treat their dogs and cats. Poeple want to ban rodeo not realizing that most of these animals would have never been born and cared for without the sport. This is America! Please stop the same type of poeple our forefathers fled from to come here from destroying our country, values, and culture! You folks who want to ban it, please be reasonable and find something truly productive to dedicate your life to. This is America. Dont you want to remain free?! You keep trying to take rights away from people who are doing nothing more than enjoying their freedoms it wont be long and someone will be trying to take your rights away from you! Come on guys wake up! Long live the Cowboy!
