Comments for Public Posting: 20-1575 I am very much AGAINST the proposed ban on rodeos in LA. The arguments against rodeo are based on inaccurate and emotion-based opinions that are not factual. All animals involved in rodeos are treated extremely well and, much like breeds of dog that are bred for particular behaviors and roles, these animals are engaging in behaviors that fulfill their purpose. I know folks involved in rodeo and they are profoundly caring and careful with all participant animals. PLEASE DO NOT BAND RODEO FROM LA! Thank you.

Comments for Public Posting: Rodeos use a variety of inhumane implements like electric prods, flank straps, and spurs, which torment animals for the sake of mere human entertainment. For this reason they should be prohibited in Los Angeles.
