Comments for Public Posting: Rodeo animals are chased, wrangled, roped, and tormented for entertainment. Horses, bulls, steers, and calves suffer from painful injuries, including broken ribs, backs, and legs, punctured lungs, internal organ damage, and snapped necks. Rodeos are outlawed in England, Scotland, Wales, Germany, and the Netherlands. Mexico City made bullfighting illegal in 2022, after 500 years of animal suffering. Please Ban Rodeos!

Comments for Public Posting: I grew up in Texas and I find rodeos very backward and a terrible influence on young people. Animals are terribly mistreated and some die because of pain and suffering.
