Comments for Public Posting: Rodeos treat animals as objects for human entertainment and pleasure. There are other forms of entertainment that doesn't involve tormenting animals. Cows frequently have their necks or other bones broken at rodeos.

Comments for Public Posting: Please ban rodeos in Los Angeles! There is no place in a city as progressive as LA for “shows” exhibiting animal cruelty - animals in rodeos did not consent to be there. Let’s put a stop to rodeos now!

Comments for Public Posting: I don't want cruel Rodeo activities in my city! I'm urging the council to please pass a ban once-and-for-all. I can't abide animals being tortured for so-called entertainment. Large-scale animal circuses are a thing of the past for a reason. Public opinion has shifted on animals being whipped, poked, stunned, and jeered like it's the 19th century. Rodeos must be banned. Please do anything you can stop this cruel and base industry. Society has moved on and Los Angeles ought to be a leader in showing that fact. world
