Comments for Public Posting: Please don't ban rodeo! Most of those horses are treated better than our own kids and those same horses see rodeo as a sport. They love it too!

Comments for Public Posting: I think that the time to flip over little calves and tie them down is of the past. This is not a sport. It' s abuse on innocent animals that cannot talk for themselves.

Comments for Public Posting: Please help to save rodeo, and the western lifestyle. I am so grateful for my early years getting the chance to learn about responsibility and putting animals before myself, focus, drive, and friendships while getting the opportunity to junior rodeo in Southern California. Rodeo helped to shape me from a lost child with her head in the clouds to someone who had a sense of community with other kids who also loved their horses goats and cattle more than anything else. Please take the time to listen with open ears to those who are actually living the lifestyle to see the care and high level of understanding given to these animals. Without rodeo I would not have had the skills to excel in a career merging high end hospitality with sharing the western lifestyle.

Comments for Public Posting: With so many recreational options today, the arcane so called “sport” of rodeo where animals are likely to get hurt should be banned and/or curtailed. The U.S should be a leader in treating animals with kindness. A cruel event like rodeo doesn’t present the U.S. in the best light.

Comments for Public Posting: Let's let California lead the way in banning instruments of torture in rodeos. We stopped the bull hook, etc. used on circus elephants, and we can end another barbaric insult to animals used by cruel, greedy ignorant humans. Let's do this!

Comments for Public Posting: I fully support the rodeo device ban! There is NO excuse for ANIMAL ABUSE! 5 Freedoms For Animals 1. FREEDOM FROM HUNGER AND THIRST 2.FREEDOM FROM DISCOMFORT 3. FREEDOM FROM PAIN, INJURY AND DISEASE 4. FREEDOM TO EXPRESS NORMAL BEHAVIOR 5. FREEDOM FROM FEAR AND DISTRESS We can no longer claim rodeos as “culture”. We can no longer “keep the Wild West alive”. Animals are sentient beings and should never be used for our entertainment!

Comments for Public Posting: It is beyond outrageous that rodeos are still in existence. These horrific events are nothing more than sanctioned animal abuse. Rodeos belong in the same category as dogfighting, bullfighting, circuses, and any other hideous activity that exploits, tortures and abuses animals in the name of entertainment.

Comments for Public Posting: Anyone with a heart knows it's wrong to tackle a baby animal, slam it to the ground and tie its legs together. If you did this to a puppy you would be charged with animal abuse. There is no excuse for animal abuse in Los Angeles!! For shame!!

Comments for Public Posting: Hello, I oppose the rodeo device ban. The language in this ban is not specific enough and is misinformed as to the usage of these tools. Instead of ensuring that these events can happen safely and humanely for animals, this will effectively ban rodeo altogether. This unfairly targets communities who partake in western sports, which are not inherently more cruel than english sports. This ordinance is not backed by research or facts, nor consultations with large animal experts, but rather supported by people unfamiliar with actual rodeo practices. Thank you.

Comments for Public Posting: I am signing for the the reason as stated. To help pass the rodeo device ban. the animals in a rodeo should not be abused cruelly for people's entertainment. it is abuse and "there is no excuse for abuse to animals". If I had it My way, I would ban rodeos all together. for They hurt and abuse the animals that They use in the rodeo. I have heard and read very much information telling of the cruel things done to the animals. from the horses, cows, bulls, heifers, etc. all just for entertainment purposes or winning prizes. animals are not Our's to do that to. They have feelings, emotions, and know when They are being hurt. It scares Them and hurts Them mentally as well as physically. I pray that this is passed. to at least cut down on some of the abuse, done to all of these most innocent animals. Please & TY.

Comments for Public Posting: Rodeo is a cruel barbaric unnecessary activity that deviants and the misinformed call “sport”. Animal exploitation for any reason is heinous, let alone for amusement or profit! There is no valid reason or excuse for “rodeo” type activities-flat out NONE!!! As a Los Angeles resident, homeowner for more than fifty years, I urge you to finally pass a complete rodeo ban ordinance now. I know that that is what the overwhelming majority of Angelenos want as well. Thank you, Sam
