Comments for Public Posting: Please hear and pass the rodeo ban. For this cruel sport, animals, often bulls, are prodded, whipped, and electrically shocked, and routinely suffer debilitating injuries, including torn ligaments, broken bones, and even paralysis. Rodeos using animals are already banned in other California cities Pasadena, Irvine, Laguna Woods, and Chino Hills; Alameda and Clark Counties passed specific bans related to rodeo activities; and internationally, rodeos are banned in the UK, Netherlands, and Vancouver, Canada. LA should be next to take a stand against this unnecessary cruelty.
