Comments for Public Posting: Please DON'T BAN rodeos. It is a great wholesome fun family sport. It saved me and my siblings as well as many of our friends from the crime infested L.A. streets. And it's a great way to share the western/rodeo lifestyle with the "city folks" of all ages and backgrounds. The animals/livestock that are involved in rodeo are very well cared for and are greatly valued and appreciated.
Respectfully, A. Francisco, Jr

Comments for Public Posting: I support the Rodeo Device Ban. There is no excuse for animal abuse in Los Angeles. Humans have been cruel and indifferent for far too long. It's time for positive changes for innocent animals who do NOT deserve to be imprisoned, exploited, abused, tortured and then killed when they are no longer of any use to the "owners" and exploiters. Do something positive for once!!!

Comments for Public Posting: I have been around the sport of Rodeo for 50 years...I've watched my daughter Junior Rodeo, High School Rodeo, College Rodeo, Professional Rodeo, and now in Texas watching my granddaughter. People who are involved with this sport, both competitors and stock contractors, take their "jobs" seriously and take their animals seriously. Most of them will care for their animals better than themselves. The sport is part of the American tradition and deserves to be respected as a sport, just like basketball and football. In Salinas, our Rodeo grounds are in the center of our town and a part of our Salinas tradition. Our event brings 10's of thousands of dollars to our community and non-profits every year and produces scholarships for our youth. Put extra mandates as you see fit, but do NOT take Rodeo and cowboys and cowgirls away!

Comments for Public Posting: I am against the passing of bill 20-1575 by Bob Blumenfield against the Charrería, Rodeos and horse/ cattle related sports..I am one of the first equestrian riders since 1969, we took exceptional care of our horses. I met Larry Mahan the all American Cowboy in San Fernando. Rodeo has been a part of our culture since the 1800's and the Los Angeles County Sheriff's rodeo began in 1950. Horses are well cared for by their owners and even have insurance and veterinary checkups. I find it disgusting for a council person to perform courtesy votes on subjects they don't understand or have any knowledge. PAAW and Bob Blumenfield need to worry about cleaning up the homeless crisis. Los Angeles is a BIG MESS, I refuse to go there, it's dirty and unsanitary, but you go to a horse stall and it's clean

Comments for Public Posting: That we even have to vote on whether to torture innocent animals or not is absolutely disgusting and says everything about how unevolved people are. So if you have a conscience or a soul or blood flowing in your veins just do the right thing or karma will even the score at some point.

Comments for Public Posting: Every animal has a purpose, even humans. Animals are not here to entertain humans. Animals deserve decency. Do humans have any decency left? It's 2023. Time to drop the cavemen ancestors' abusive, horrific habits. Respect all life. Let animals exist in peace in nature with their families, not in prisons aka farms we created for them. It's time we educate humans to be kind, not to be monsters. Please implement the ordinance to ban the use of cruel devices that force rodeo animals to perform. Anyone who thinks the devices are humane can use it on themselves. This kind of monstrosity has no place in our beautiful city Los Angeles. Please be decent, kind, defend innocent animals and vote to pass this ordinance. Thank you. Best,

Comments for Public Posting: No living being deserves to be treated cruelly for the selfish enjoyment of humans. Rodeos might have a history in this country, but so does slavery - and keeping events or actions around for the sake of history, does not make those events or actions morally or socially right. Animals are simply trying to live their lives in peace and they need you to be their voice. I urge you to implement the ordinance to ban the use of cruel devices that force rodeo animals to perform. This kind of torment has no place in a progressive city like Los Angeles. Please take a stand for innocent animals and vote to pass this ordinance.

Comments for Public Posting: Because of the cruelty, I would ask that all rodeos be completely banned, but if that's not an option, I urge you to implement the ordinance to ban the use of cruel devices that force rodeo animals to perform. If you have to use cruel force and devices to get an animal to do what you want, maybe that animal is trying to tell you they shouldn't be doing it at all. This kind of torment has no place in a progressive city like Los Angeles. Please take a stand for innocent animals and vote to pass this ordinance.

Comments for Public Posting: Rodeos are animal abuse, period. The use of wire tie downs, sharpened spurs, bucking straps, cattle prods, etc. are clearly animal abuse. Chasing a terrified calf around and causing it to suffer extreme pain by yanking it around the neck with a rope is abuse. Sometimes calves die in these events. The practice of rodeo is barbaric and outdated. Please ban rodeos in Los Angeles County, such a progressive city should not continue to allow such blatant and sickening animal cruelty to continue.
