Comments for Public Posting: I support the Los Angeles Rodeo Ban. There is no excuse for animal abuse. In a civilized world it should not be allowed to mistreat animals for the amusement of people who obviously don't have any empathy and compassion. Animals are the weakest members of the society and must be therefore protected by the authorities. They are at the mercy of the human. A cheering crowd when animals are in panick and pain is really shameful !

Comments for Public Posting: I will never understand why people can enjoy watching an innocent animal be forced to defend itself for NO reason except entertainment. That is NOT entertainment. It is an age old tradition that warrants banning in the name of mercy and compassion. I live in TX where rodeos are prevalent but that doesn't make it right. I have never been to one nor will I ever want to watch terrified animals forced into cruel situations. It's past time to stop the madness.

Comments for Public Posting: In December, 2023, the "L.A. City Council" voted "YES", UNANIMOUSLY, in support of the Los Angeles Rodeo Ban". The "Ban" was then, referred to the "Neighborhoods and Community Enrichment Committee" to finalize the language. An email that "Last Chance For Animals" obtained from "Western Justice", a, pro-rodeo, group, from Wyoming, opposing the "Ban", states the group is making plans to travel to Los Angeles to lobby "City Councilmembers" to not pass the "Los Angeles Rodeo Ban" (to let it die in Committee). Our family is making a, public, comment on the "Los Angeles Rodeo Ban" - File #20-1575. We support the Los Angeles Rodeo Ban"! There is no excuse for, animal, cruelty! WHAT IS THE RODEO INDUSTRY HIDING? The, rodeo, industry, routinely, lies, and, underreports, animal, injuries, and, deaths! Read the "L.A. Times" article by Susanne Rust, California Rodeo Animals Face Violent and Deadly Casualties! Numerous, other, articles shed light on the truth about the harm inflicted on animals in, rodeo, events, such as an article by, former, bareback bronc rider and veterinarian, Dr. Peggy Larson, discussing the inherent cruelty of rodeos!

Comments for Public Posting: This is 2024 - Rodeos are just another form of an animal circus where animals are made/forced to perform against their physical bodies build. Bulls with a rope or belt tied tightly on its hind, the human being pulling on it causing friction, pain, discomfort & fear! Horses forced to run short turns running around barrels, baby calves being chased, jumped on, rope tied up while being caught tightly by an adult heavy person. Its abhorrent cruelty. Bull riding is ridiculous, it does cause suffering to the bull, the proof is the bulls reactions of bucking & moving around in a frantic chaotic way. This form of body movement is not natural, is not common to the bull. The cowboy mentality is ruining the US. Shameful callous neglectful actions causing unnecessary suffering to helpless animals. This is 2024 I would like to see ALL rodeos BANNED! Enough already.

If you think about it, a Rodeo or Bull Riding is no more than another circus-like performance that exploits animals for human entertainment. The rodeo industry hates to be compared to a circus - but think about it - animals traveling in metal trailers from city to city and clowns and ticket sales. Sounds like a circus, and animal circus' are no longer popular.

Comments for Public Posting: Bulls do not buck unprovoked. In rodeos, they are terrified, prodded, and provoked beyond their tolerance, just to provide drama for the crowd. This animal cruelty is considered entertaining. It is only entertaining to humans without consciences, who care nothing for the misery of their fellow creatures and are willing to exploit it for their own perverse amusement. I beg you not to grant permission for rodeos involving animals. Like bullfighting, dogfighting, and other cruelty, these events pander to and reinforce the kind of atavistic human characteristics that are at the bottom of all cruelty in a world where cruelty itself is quickly threatening life on earth itself, for humans and all the species that we have been ignorantly exploiting for our entire existence as a species. It is time for humans to change their attitude toward other living creatures or face their own extinction along with that they are causing to other species, and begins wherever it can: eliminating animal use in rodeos is one such beginning. Please do not allow these events in your jurisdiction.

Comments for Public Posting: I support the Los Angeles Rodeo Ban. Please think of these animals that suffer so much and senselessly at the hands of cruel and money hungry people. It is just gut wrenching to see any of these bulls being ridden. A baby calf being tied up with rope on all legs. They are terrified . And the horses that they use as weapons to commit these cruelties If you know animals at all , their pureness and their spirit, you will realize that this is also heartbreaking for a horse to chase these baby calf's. The people on their backs are the most Cruel of Cruel. If you have any heart at all , and compassion for these animals ... please put a stop to this barbaric cruelty. If you put out a vote to the public , you know they would ban this. So it doesn't even seem fair that these animals fate is in the hands of several people on a Council ???

Comments for Public Posting: I support the Los Angeles Rodeo Ban. There is NEVER an excuse for animal abuse. Supporting animal welfare has become a mainstream issue & the Citizens of Los Angeles commend the L.A. City Council for voting YES, UNANIMOUSLY, in support of the Los Angeles Rodeo Ban. We are hopeful the Neighborhoods and Community Enrichment Committee will follow through and finalize the language that represents the intention of the Council and Citizens of this great city. Los Angeles will lead by example with compassion and kindness to prevent animal cruelty. Thank you for supporting the Rodeo Ban!

Comments for Public Posting: Imagine being stuffed in a cage - mounted by a stranger - and pushed out into an unfamiliar arena while thousands of people scream and yell and loud music blasts - just imagine their terror. This is animal abuse masked as family fun. Please do the right thing and ban the Los Angeles Rodeo.

Comments for Public Posting: I support the L.A. rodeo ban. Cruelty is inherent in the rodeo industry. Rodeo animals suffer horribly during endless hours of unmonitored practice sessions not just during the rodeo competition. Practice animals are used over and over until they are crippled, then discarded and replaced. Meat inspectors, including Charles Haber, DVM and Robert Fetzner, DVM, report broken bones, blood in the abdomen, organ damage, torn muscles, and damaged tendons and ligaments in rodeo animals sent to slaughter. Rodeos normalize animal abuse by chasing, roping and tormenting animals for entertainment. Rodeos resort to tools of torture such as electric shocking devices, flank and bucking straps, and sharpened spurs to force animals to perform unnatural stunts. Animals don't deserve to be harmed for people's amusement, and it's time to put an end to this preventable misery by banning rodeos.

Comments for Public Posting: Ban rodeo It's animal abuse which is proven to link to violent crime committed by people Those cows suffer in bull rings it's a circus environment and it's putting a sentient sensitive animal in a wholly unnatural state which already is clearly a cause of distress and harm to the intelligent creature.
