Comments for Public Posting: Rodeos are exceptionally cruel to the terrorized animals involved. This includes the bulls, calves and horses that are reacting because of fear and torture. There is nothing sporting about abusing these animals. They should be banned.

Comments for Public Posting: Rodeos are not sport; they are animal cruelty and exploitation of animals for human amusement. It is sick, and it is sad, and there is really no legitimate reason to allow these events to continue.

Comments for Public Posting: Rodeo harms animals and it has to stop. Rodeo animals face violent and deadly casualties, broken backs, legs and skulls. No one would do this as example to a dog as it would be an animal cruelty. Please make it stop and end animal cruelty, thank you.

Comments for Public Posting: Rodeos are cruel and outdated. While this may be entertainment for people, they are sheer terror and trauma for the animals involved. Are we really at this stage of humanity in the 21st Century where we still exploit animals for money and entertainment? This must stop.

Comments for Public Posting: I support the Los Angeles Rodeo Ban (File #20-1575). It is so painfully obvious that the rodeo is cruel and inhumane to the animals involved ... just take a look at the publicity photos. The recent even earlier this month is no exception -- the Professional Bull Riders should never have had a chance to use the arena.

Comments for Public Posting: We are now in 2024...when will this ridiculous, barbaric, archaic behavior stop? What is wrong with people? Don't people understand these animals deserve a proper life like any living being deserves? Take out your aggressions in a rock, not a living, breathing soul. It's 2024 for crying out loud...grow up.

Comments for Public Posting: Why is the rodeo still allowed in this day and age? Are we not past the era of ignorance when it comes to animal abuse? In a world bursting with human entertainment, there is NO NEED to use and abuse animals for yet more human entertainment. Please put an end to this archaic practice which is nothing but an excuse and disguise for horrendous animal abuse, cruelty and torture. It needs to STOP.
