**Comments for Public Posting:** Please pass the rodeo ban, do not let it die in committee. Rodeos are events of fear, torture and for some death for the innocent animals forced to participate. Many children attend rodeos and they are learning that it is acceptable to abuse animals for the entertainment of humans. Why are we surprised then that there is so much violence in our world. Studies have proven again and again that those who abuse animals often go on to harm humans. Rodeos are guilty of animal abuse and of teaching our children that violence is acceptable.

**Comments for Public Posting:** Please support the ban of the Los Angeles Rodeo. We were called by God to be overseers of animals, not abuse them or use/abuse them for our entertainment. Rodeos are another form of sick abuse of animals by humans for human pleasure with no account for the pain and suffering and fear inflicted on any of these animals. There is nothing about rodeos and the things perpetrated on these animals that warrant fun for them. They are in extreme fear, only to be met by violence, pain and suffering all for human greed. Cock fighting and dog fighting, another form of "human entertainment" at the cost of suffering and death of animals involved -- AND ARE ILLEGAL -- are parallel comparisons to the rodeo. They are just different animals. Please, please keep the ban for any rodeos to come to Los Angeles. I do not support such animal cruelty by the hands of humans. Having rodeos in Los Angeles paints an ugly picture of all Angelenos.

**Comments for Public Posting:** The rodeo is nothing more than gratuitous animal abuse and torture, conducted by those who have no respect for non-human species and seek to spread that disrespect to others. Rodeo animals are mercilessly tortured and the "game" of it speaks volumes of those who revel in WATCHING and even CHEERING FOR this TORTURE. Animal abuse leads to human abuse of those vulnerable - the young, elderly, disabled, become the targets. The sick THRILL of torturing the vulnerable and helpless turns on humans, and hence our society is filled with VIOLENCE. We should not be promoting violence as is seen and being TAUGHT by the rodeo animal torture. This is an extremely sad statement of the human propensity for inflicting harm on others - and enjoying it - it's the mentality of serial killers and serial abuser. The rodeo is created and conducted by SERIAL ANIMAL TORTURERS AND ABUSERS. Please ban this rodeo, for the sake of our society, our children, the weak among us, and the animals.
