Comments for Public Posting: Rodeo uses sweet, docile farm animals that must be provoked in order to act "wild" "rank" "cantankerous." Nothing could be farther from the truth. These animals are terrified and literally running for their lives. Broken bones, torn ligaments, ripped muscles, punctured lungs, internal hemorrhages, snapped necks. THESE ARE ALL DOCUMENTED INJURIES OF RODEO ANIMALS. This is not how you show love! Ban these horrific practices, just like PASADENA, CA and IRVINE, CA have already done. See attached letter from Cesar Chavez!

Dear Mr. Mills:

Our society is becoming increasingly concerned about the welfare of animals, both wild and domestic, and rightfully so. The area of animals used and/or abused in the entertainment industry deserves special scrutiny.

There is great need for legislation to ensure the humane treatment of animals employed in rodeos, and I would certainly support any such bills. I understand that most rodeos don't even require that a veterinarian be present--this seems the very least we owe the animals, who are participants through no choice of their own.

Kindness and compassion towards all living things is a mark of a civilized society. Conversely, cruelty, whether it is directed against human beings or against animals, is not the exclusive province of any one culture or community of people.

Racism, economic deprival, dog fighting and cock fighting, bullfighting and rodeos are cut from the same fabric: violence.

Only when we have become nonviolent towards all life will we have learned to live well ourselves.

Sincerely,

Cesar E. Chavez
President

Comments for Public Posting: Rodeos are a public safety risk. Numerous rodeos have had animals escape and injure spectators. The arena is not safe. Please ban rodeos in Los Angeles.

Comments for Public Posting: Distressing and terrorizing animals for the sake of amusement, as rodeos do, is the height of depraved and immoral behavior. Just like circuses were banned, it is time to prohibit rodeos within Los Angeles. Please make it happen.
