Comments for Public Posting: Please ban rodeo events. The torture and terrifying of prey animals is not entertaining. It's just plain animal cruelty. Thank you, Karen Elger

Comments for Public Posting: Rodeo is a cultural institution. It is not cruel. I've been in the audience at young buck training and if the chute opens by accident the bulls come barging out bucking. When they get older they stop bucking like any athlete. The horses are the same. Bred to buck and they do. Please don't fall for the extremist views. Most of the people objecting to rodeo don't understand these athletic animals. All of the animal hoarding cruelty situations are these people thinking they are 'saving' the animals.
