Comments for Public Posting: Please do not ban rodeo in LA. Until quite recently I was a proud Angeleno and I am deeply disappointed to see this development. I am also a rodeo fan. These animals are NOT abused, they are highly valued and cared for... even loved. Banning things you don't like and don't understand is not the way.

Comments for Public Posting: I support the Los Angeles Rodeo ban. All rodeos, bull riding, etc. are forms of animal abuse that cause innocent, defenseless animals to feel fear and pain. It is animal abuse for human "entertainment" that is so inhumane it should be against the law !! Our country should show the world that animals are Not meant to be abused by banning rodeos throughout the United States !

Comments for Public Posting: Please end the cruelty & suffering all rodeo's promote. Non human animals are not sport, entertainment or objects. They are sentient beings that feel & suffer in these outdated events that only serve to line the pockets of the promoters. I urge you to end bull riding, calve tying & all other activities of rodeos as they demonstate that the pain & suffering of others is ok as long as someone is making profiting. Jeanaann Barnaby
