**Comments for Public Posting:** Los Angeles rooted in our esteemed heritage of being the far west hub of old western mix of dominant culture,ideas, hospitality,growth and innovation needs to laud its agrarian ways and roots not pretend it owes not to western shows ,work and it's games. Grow up , get off your cell and out of your chairs,see the greatest show on dirt and dream all inclusive dreams of freedom through sport . Rodeo is growing,don't waste your heritage!
