**Comments for Public Posting:** Dear Close minded, Rodeo is a way of life, just like football is for others. Rodeo is a family, not just competition. Rodeo is western heritage. Western heritage is who we are and where we come from as a country! Rodeo is far bigger than a city council ruling or an individuals beef with a better group of people! If the animals don't get to compete in Rodeo, they will then be slaughtered within a year of birth and consumed or shipped to Mexico, which is far worse. Now tell me what exactly is it that you are really trying to accomplish by removing rodeo??? Let that sink in and sleep on it for the rest of your life! From: Raising good kids in a bad world!
