Comments for Public Posting: Please reconsider the rose ban. It's historic and has been apart of many cultures for centuries. Don't let traditions passed down from generations come to an end. Unfortunately all this is about money and the power is being token away from the people once again! Our forefathers fought on horses and for the right to be free from tyranny. Don't allow money to get in the way from allowing cultures to Praticce what they love !! Save the rodeo for the people! Please to the correct thing, don't sell out the people!!
