Comments for Public Posting: Rodeos, and stand-alone bull riding events, glorify animal abuse while they they masquerade as sport and family entertainment. For example, horses and bulls do not buck naturally. These are terrified animals trying to get away from something that is causing them fear, pain, and discomfort. Animal injuries can be numerous; broken bones, ripped tendons, torn ligaments, and snapped necks. The rodeo industry has been heavily lobbying Councilmembers to vote against the ban, which is why it's important for you people in positions o power, TO PUT AN END THESE ONCE AND FOR ALL!!!! I HAVE TO ASK. WHAT IS WRONG WITH YOU PEOPLE? HOW DO YOU SLEEP AT NIGHT?!!! THIS ISN'T "ENTERTAINMENT" UNLESS YOU'RE A SOCIOPATH!!!!!!!!!!

Comments for Public Posting: We support a Los Angeles Rodeo Ban. This type of use and abuse of voiceless animals serves no constructive purpose and diminishes humane treatment of animals who have done nothing wrong.

These include compound fractures, snapped spines, and crushed skulls. Injuries and deaths to rodeo animals are chronically underreported. These animals suffer broken backs, broken spinal, broken legs, Broken bones, crushed skulls, damaged organs, broken necks and internal bleeding among many other injuries. Animals are not our to abuse, mistreat, keep caged up, TEST on, use a money income or any other horrific abuse Humans seemed to think they are God and use them then dispose of them like trash. Now is the time to BAN Rodeo and all other animal use facilities. They have a right too.....
