Comments for Public Posting: Rodeos are very cruel to steers, and bulls. It causes them undo suffering and pain.. Please, stop this cruelty once and for all. Animals are sentient beings as humans are.. they feel pain and suffering. This practice has gone on far too long. Have compassion, empathy and feeling for animals that we share our planet with. Please discontinue rodeo events in Los Angeles county.

Comments for Public Posting: Please ban rodeos! Such awful displays of brutality to animals should never be entertainment. Rodeos using animals are already banned in other CA cities and counties. It's time to put an end to this cruelty here in LA!
