Comments for Public Posting: Please pass this bill to BAN rodeos in the City of Los Angeles! Animals abused by the rodeo industry are chased, wrangled, roped, and tormented for entertainment. Horses, bulls, steers, and calves can suffer painful injuries, including broken ribs, back, legs, and tails, punctured lungs, internal organ damage, snapped necks, and agonizing deaths. Polling conducted of 600 Los Angeles voting residents showed 72% support the ordinance. Rodeos have no place in a civilized society.
