Comments for Public Posting: Please end this awful form of entertainment. It's obsolete and unbelievably cruel, especially now that everyone knows that these wonderful animals are sentient. They feel pain just like humans.

Comments for Public Posting: Bull Riding. The poor Bulls. Traumatized by the event. Shocked-straped-kicked in a chute. Then turned out in a noisy arena with some crazy guy on their back. They are not hostile by nature and just want live their life. Give the bulls a break and don't ride. You have nothing to prove so please don't break a bull.
