Comments for Public Posting: Denying rodeo, one of the oldest sports in America, is denying kids the chance to grow up learning respect, not only for animals, but their competitors.(You won't see a kid knifing a competitor at these events) They learn responsibility, they help their fellow competitors, they respect the flag and God, and America. Just because a few uneducated think it's cruel, don't make everyone else suffer!

Comments for Public Posting: Bull-riding (and other rodeo events) are incredibly dangerous for animals. For instance, just this week, 'A bull was euthanized after a fall during the championship round at the 2025 San Angelo Rodeo on Friday, April 18.' (1) There's no excuse for animals to be hurt or killed for mere entertainment. It's morally repulsive. Please pass this ordinance and ban rodeo in Los Angeles! 1. <https://www.conchovalleyhomepage.com/rodeo/bull-euthanized-after-fall-in-championship-round-at-san-angelo-rodeo/>
