**Comments for Public Posting:** Hurting animals for the sake of entertainment is morally despicable. Just like circuses and Seaworld, rodeos need to go the way of the dodo. Accordingly, please outlaw rodeo in Los Angeles!

**Comments for Public Posting:** Rodeos are not only dangerous for the animals and the human athletes - but also the spectators. In 2024, three spectators were injured at an Oregon rodeo after a bull jumped the fence. Rodeos need banned because not even spectators are safe. Please ban rodeo in Los Angeles.

**Comments for Public Posting:** My name is Matthew A. King and I represent the Christian Animal Rights Association, an international ministry based out of Pittsburgh. Our ministry just wanted to reach out and encourage the council to follow through with the Los Angeles Rodeo Ban, which aligns with Christian principles. Bull-riding is very harmful to the bulls. Proverbs 12:10 specifically condemns animal cruelty and Genesis 49:5–6 harshly condemns hurting animals for entertainment. Our ministry very much supports this rodeo ban and encourages the council to continue its great work in this matter!
