Comments for Public Posting: LA has been on the verge of confirming a rodeo ban since it passed the council unanimously in 2023. Rodeos using animals are already banned in other Californian cities, including Pasadena, Irvine, Laguna Woods, and Chino Hills. Alameda and Clark Counties have also passed specific bans related to rodeo activities. Help us end this cruelty, such awful displays of brutality to animals should never be entertainment. I urge the LA City Council to finally hear and pass the rodeo ban!

Comments for Public Posting: Rodeos are a betrayal of good care of animals. Nothing about it would otherwise be done on a ranch or barn that practices good animals husbandry, so why allow it for entertainment

Comments for Public Posting: Rodeos are incredibly cruel and should be banned. Animals suffer from broken ribs, backs, and legs, torn tails, punctured lungs, internal organ damage, ripped tendons, torn ligaments, snapped necks, and agonizing deaths. Los Angeles should not be condoning such cruelty.
