Comments for Public Posting: My husband and I support the BAN on rodeos in Los Angeles. Forcing docile animals to become aggressive through use of flank straps and cattle prods is overt cruelty and abuse. Enclosing people and terrified animals in confined spaces creates an environment of obvious danger. Additionally, using government owned venues for displays of violence is contrary to public safety. PLEASE BAN ALL RODEOS! Thank you.

Comments for Public Posting: Our family implores the "LA City Council" to, finally, hear, and, pass, the, rodeo, ban! LA has been on the verge of confirming a, rodeo, ban since it passed the Council, unanimously, in 2023. Rodeos using animals are, already, banned in, other, Californian, cities, including Pasadena, Irvine, Laguna Woods, and, Chino Hills. Alameda, and, Clark, Counties have, also, passed, specific, bans related to rodeo activities. End this cruelty! Such, unconscionable, displays of brutality to animals MUST, never, be entertainment!

Comments for Public Posting: Please pass the Los Angeles Rodeo Ban today!! Animal cruelty has no place anywhere, and it's time for the City of Angels to take a firm stand against rodeos and the suffering they cause. Bulls used in rodeos are prodded, whipped, and electric shocked, and they suffer debilitating injuries. Please end these cruel events in the City once and for all.
