**Comments for Public Posting:** This is an extremely urgent matter. The Rodeo Ban was passed unanimously in December 2023. It went back to committee/lawyers to revise some of the language before the Ban could ultimately move forward. That language task was completed in 2024. Since then, no action has been taken to move the Ban back to the full City Council for another vote. Why not? The unanimous vote in December 2023 was exhilarating news. Yay, LA! So, it's incredulous that this is now May of 2026 and the Ban has still not been sent back to the full City Council for another vote. This Ban is a fantastic forward-thinking move for the City of LA. LA is a beautiful city, an international city, a major tourist destination year round, a much desired business and residential area, a mecca for entertainment of all kinds, home to major film studios...the list goes on. Let's also become a city known for its humane treatment of and love for animals (not just dogs and cats). I urge the Arts, Parks, Libraries, and Community Enrichment Committee - CM Jurado, CM Hernandez, and CM Nazarian - to place the Rodeo Ban on their agenda immediately so that it can then return to the full Council for a vote. Please search your hearts and act NOW before the Ban expires in July. Thank you.

**Comments for Public Posting:** The L.A. City Council should have banned rodeos in city limits back in 2020 when the measure to ban was first introduced by Bob Blumenfeld. Animal cruelty is not “cultural tradition,” and anyway, whatever cultural link L.A. may have had to rodeos is long gone. 72% of L.A. residents support a ban on rodeos in city limits. Come on, L.A. City Council, it’s time to act!!
