Comments for Public Posting: Please Ban Rodeos In Los Angeles A Message from Our President: Bull-riding is associated with the development of musculoskeletal disorders in animals. For instance, a 2017 study states, 'Results indicated bucking bulls were more likely than nonbucking bulls to develop horn and sinus disorders and musculoskeletal disorders of the vertebral region and pelvic limbs.' The Bible very explicitly condemns hurting animals for entertainment in Genesis 49:6. Here are three different translations: Genesis 49:6 New Living Translation (NLT) 'May I never join in their meetings; may I never be a party to their plans. For in their anger they murdered men, and they crippled oxen just for sport.' Genesis 49:6 Good News Translation (GNT) 'I will not join in their secret talks, Nor will I take part in their meetings, For they killed people in anger And they crippled bulls for sport.' Genesis 49:6 International Standard Version (ISV) 'I'll never join their council; I'll never enter their assembly. In their anger they committed murder and lamed cattle just for fun.' The Bible unquestionably views rodeo as sinful because it hurts animals for the sake of human amusement.
