Comments for Public Posting: I live in West Hollywood and I support the Rodeo Ordinance banning the most common and cruel rodeo practices. These animals are innocent and mistreating them is abusive and horrible. They are chased and tormented for entertainment. Horses, bulls, steers, and calves suffer from painful injuries that no humans would want to endure. Why should we subject rodeo animals to this torture? Please ban rodeos in Los Angeles today.

Comments for Public Posting: As residents of Los Angeles County we are writing in to say - Ban The Rodeo - it's a cruel and violent causing injury to innocent helpless animals and subjecting children to witness this torture in an event environment that is psychologically dangerous to children

Comments for Public Posting: As a Los Angeles resident, I support the Rodeo Ordinance banning the most common and cruel rodeo practices. These abusive practices against innocent animals are disgusting and horrific. Rodeo animals are chased, wrangled, roped, and tormented for entertainment. Horses, bulls, steers, and calves suffer from painful injuries, including broken ribs, backs, and legs, punctured lungs, internal organ damage, and snapped necks. It is 2026...we should not be abusing innocent helpless animals for entertainment. Please ban rodeos in Los Angeles now.
