**Comments for Public Posting:** I strongly urge you to pass the rodeo ban once and for all! You all know how cruel it is so what has been keeping you guys from getting this ban passed?

**Comments for Public Posting:** PLEASE get on with it and vote on the bill to ban rodeos! It has been so long that council members can say they do not know about it because the instructions to amend and draft the ordinance were issued before they were even in office. This is, deservedly, getting bad publicity. So, REALLY draft the ordinance, and then vote on it. Dr Kathie Kingett

**Comments for Public Posting:** Bring a vote to ban rodeos. They are not sport and soil the reputation of a city which wants to eliminate animal cruelty.

**Comments for Public Posting:** I urge you to take an official and final vote to forever ban rodeos in LA. These spectacles are dangerous for the human participants and abusive for the animals who are victimized for entertainment and profit. Thank you. Donna Selquist
