**Comments for Public Posting:** Why are dark age 1800 animal abuse traditions still allowed to continue? History is good, but repeating history that causes suffering, pain, injury & even death to living things is vile. Surely as an educated person you can see this!? Not all traditions are good. No human being has the right to take away the dignity of a living being, each animal is divine & a gift from God. Rodeos are pure 100% animal abuse. Animals are forced into the arena, made to perform in ways that are totally against their physical system. How can any federal or local government condone this cruelty? I urge city officials to BAN all rodeos. The cowboy mentality is neglectful, superior minded & ego driven. The proof is in the pudding. Rodeos cause so much pain & suffering to animals. Just transporting the animals from town to town, city to city causes suffering, then they are forced to be tormented, pushed, shoved, brought down, made to run in ways their bodies were not designed for. How can this be allowed in 2024? 24 yrs. AFTER the Millennium. In my opinion the people that make profit from such cruelty are slave drivers. The slave trade is alive & well in the animal kingdom. I just don't expect good American people not to understand this. Please open your eyes, please understand that animal abuse or abuse of any kind will not be tolerated in the USA!

**Comments for Public Posting:** Rodeos are not sport nor are they entertainment. A rodeo is a blatant display of animal cruelty and abuse. Slamming a young animal to the ground and tying its legs is cruel. If it was done to a puppy or a kitten, it would be animal abuse. Rodeos no longer have a place in a compassionate civilized society - they are a relic of a barbaric past. Do not be a party to this cruelty. Ban rodeos!

Rodeos are cruel and serve no defensible purpose. There are many forms of entertainment that do not involve cruelty. Animals have no voice and no choice. Please be kind and do the right thing by banning rodeos. Thank you.

**Comments for Public Posting:** Having just come home from attending a rodeo demonstration in rural Manitoba, it is disturbing to think that a city such as Los Angeles, thought of as progressive by comparison, could be swayed in its decision to ban rodeos by vested interests such as the Professional Bull Riders. At its core, rodeos are the celebration of the domination of humans over our fellow animals and it is the idea they are here "for" us rather than "with" us that has brought the world to the place it's at today. Animal abuse, trauma and harassment is not "sport" or entertainment. Please do the right thing and ban rodeos.

**Comments for Public Posting:** I am very opposed to the rodeo and strongly support the ban. There is no excuse for the torment and physical and mental abuse that the animals in a rodeo suffer, which includes broken backs, broken necks, broken limbs, broken spirits! This is completely sadistic, cruel and uncivilized behavior by both the participants and the individuals who choose to watch it and should not be condoned. Please do not be a party to these horrific spectacles. Thank you.

Anyone with a heart knows it's wrong to tackle a baby animal, slam it to the ground, and tie their legs together. If you did this to a puppy you would be charged with animal abuse. Rodeos call it calf roping and call it a sport. There is no excuse to allow rodeos for so called "entertainment". Rodeo abuse includes broken backs, broken tails, broken legs, severed tracheas, crushed skulls, broken necks, internal bleeding, spinal cord paralysis, other broken bones, gored flanks, damaged organs. Do you really think the animals feel this is fun and entertaining? STOP Rodeos NOW!
