Comments for Public Posting: THERE IS NO EXCUSE FOR ANIMAL ABUSE! I support the L.A. rodeo ban!! What RODEOS TRULY ARE: a form of animal abuse masked as entertainment. While rodeos are often seen as a celebration of tradition and "ranch life," it's important to recognize that there are more compassionate ways to honor these values without subjecting animals to fear, pain, and stress for the entertainment of spectators. THE VIOLENCE INHERENT IN RODEO EVENTS IS UNDENIABLE!!!

Comments for Public Posting: As an advocate against cruelty to animals, it is by far time to ban Rodeos. I know some consider it a favorite pass time and a sport. It Unnecessarily injures animals for a way of life in the 1800's. WE need to move on.

Comments for Public Posting: I completely support the L.A. Rodeo Ban! Rodeo's are an excuse for people to abuse animals. It is time society realizes the harm caused to the innocent animals that get used for this horrific Rodeo events. This is not sport or entertainment!

It is important to recognize what rodeos truly are: a form of animal abuse masked as entertainment. While rodeos are often seen as a celebration of tradition and "ranch life," it's important to recognize that there are more compassionate ways to honor these values without subjecting animals to fear, pain, and stress for the entertainment of spectators. Comments for Public Posting: Rodeos are an exploitation of animals. It is abusive, stressful, traumatizing, and also possibly harmful, as the animals can be injured. Yes, the human participants can also be harmed, but that's their choice to participate. The animals have no choice.

Comments for Public Posting: Kindly consider putting an end to rodeos. They are nothing but the torture and abuse of animals disguised as entertainment. Grown males showing off their prowess over defenseless animals does not a man make. These are not cowboys. They are coward boys all dressed up and ready to be cruel. Please it is time that this cruelty and abuse is put to an end.

Comments for Public Posting: I would urge you to support the rodeo ban as the animals have suffered long enough. People have suffered too like Lane Frost who was killed while bull riding. It is time to move on from these rodeo events that are cruel and unsafe for animals and people. Thanks.

Comments for Public Posting: There is no excuse for animal abuse. I support the L.A. Rodeo ban. This is animal cruelty and nothing less. To see horses break their legs or something of that sort can never be accepted. How can anyone think that it is ok to treat animals like this? It's barbaric and sadistic.
