Comments for Public Posting: I definitely support the L.A. rodeo ban. During rodeos animals are frequently injured and some die. There is no excuse for this abuse. How can anyone get pleasure watching an animal suffer? It is a disgrace that these venues of animal cruelty are allowed to continue. .

Comments for Public Posting: Ban live animal based rodeos please! The idea that calves don't mind being roped up and yanked down to the ground by their necks is ridiculous. So is the idea that any bull or horse bucks like a wild animal because it was trained to, which is what I've heard people say! Remember the poor pregnant horse in San Diego's Padres Rodeo that immediately went into cardiac arrest and died along with her unborn foal?? These voiceless animals are intentionally made uncomfortable to painful with tightened belts in private and soft places in order to get them to behave in a wild manner. This is the most base type of entertainment there is, so please be higher minded than the undereducated or unsympathetic rodeo goers you invite to this cruel and pointless entertainment.

Comments for Public Posting: Rodeos are not only cruel and nothing short of ongoing continued torture for the innocent scared defenseless animals forced to participate. Rodeos are not entertainment and any city that allows/sanctions them should also be charged with cruelty/abuse/torture/murder.

Comments for Public Posting: Los Angeles Councilmember Bob Blumenfield introduced the Rodeo Ordinance in February 2021. The Ordinance, #20-1575, will effectively ban rodeos in the City of Los Angeles. On December 5, 2023, the L.A. City Council unanimously voted YES in support of the Rodeo Ban. It is currently in Committee for finalization of the Ban's language. With everything we know about animals in today's world, this violent animal abuse has no place in a mentally and morally fit society. The fact that anyone still watches this and views this violent cruelty as "entertainment" is in itself proof of how dangerous this normalization of abuse of power and cruelty is, proving its moral injury on individuals and our society as a whole. Please BAN rodeo's. Thank you.

Comments for Public Posting: As an advocate against cruelty to animals, it is by far time to ban Rodeos. I know some consider it a favorite pass time and a sport. It Unnecessarily injures animals for a way of life in the 1800's. WE need to move on.

Comments for Public Posting: Please ban rodeo, as compassopnate care for animals is in our human mandate, not their torment. To make animals buck and go mad, cowboys tie a tight belt around the animal's testicles - can you imagine the agony and trauma this inflicts on them? Please end the suffering NOW

Comments for Public Posting: Rodeos kill and mame bulls, horses, and steers used in these horrific outings! How can the public feel this is entertainment? Put yourself in the animals place! Terrified when brought out into the ring and people screaming while the rider is digging his spurs into your body or you are being roped and flung to the ground while being tied up with rope! END this NOW!
