Comments for Public Posting: Rodeos are inherently cruel because they require electric prods, flank straps, spurs, and wire tie downs to function. These are known as the 'tools of torment.' LA is right to go past the implements ban and instead ban the activities outright. It's time to ban rodeos in Los Angeles!

Comments for Public Posting: Rodeos normalize violence against animals. Then we wonder why our society ends up being so violent. Please prohibit rodeos in Los Angeles.
