Comments for Public Posting: I support the L.A. rodeo ban. There is no excuse for the abuse animals go through during a rodeo, just for human entertainment. Rodeos are torture on innocent animals.

Comments for Public Posting: it amazes me how senseless human behavior hurts nonhuman animals. Instead of promoting inhumane behavior, humans should donate to organizations that protect all animals. Humans should be the voice for all animals. And remember that animals are not ours to use them for entertainment. Dr. Maria O'Reilly

Comments for Public Posting: There is nothing good about bull riding - it's inhumane to the animals, stressful, and just plain STUPID. I don't understand why anyone would find this as entertaining or a skill of sport. PLEASE BAN BULL RIDING!
