Comments for Public Posting: The oversight of our insane California politics shouldn't put a stop to the rodeos visiting our state. Hundreds of thousands of people attend these exciting events every year, which means that there are plenty of people who believe in rodeos more than the other way around. If you choose to cancel them, you are letting a lot of people down, let alone various overly celebrated individuals that you court so heavily and spend all of our tax dollars on. Bring back the rodeos to California!

Comments for Public Posting: Please do not ban rodeo. Rodeo animals are more than that, they are athletes, very well taken care of, no cruelty here. Thank you.
